

# MEET YOUR HUEBSCH® FINANCIAL MANAGER: JASON HUSMAN

Jason has been a valuable member of the Alliance Laundry Systems Finance Department since 2004, bringing achievements like a BBA in Finance from the University of Minnesota-Duluth and former experience as Securities Operations Specialist in the Mutual Fund Trading Department at US Bank. Today, with expertise in financing laundry equipment transactions throughout the United States and Canada, Jason is able to efficiently review investor and location variables and identify the best financial solution for new store development, replacement equipment purchases and acquisitions of existing laundromats. Attention to detail and customer service are his main focus, and he looks forward to sharing his industry expertise with distributors, new investors and current laundromat owners.
