Tough Customers Are No Problem For Sol-O-matic

CACO Manufacturing Corporation has been the leader in manufacturing rugged, attractive Laundromat furnishings for over 47 years.

We have combined fiberglass and its ability to withstand heat, humidity, chemicals, and rough treatment with treated steel and other quality components to give store owners special equipment designed to do its job without constant maintenance. Colorful and attractive, without sacrificing strength and durability, they make customers feel welcome and at home while withstanding their abuses year in and year out.

Sol-O-matic® also offers a line of high-pressure laminate furnishings designed for the laundry and dry cleaning field. Please ask for a brochure.

Folding Tables

Sol-O-matic®
Fiberglass Folding
Tables provide colorful eye-appealing work surfaces that are seamless, easy-to-clean, and chemical resistant.

The molded-in stop ledges greatly increase the usable table surface without requiring additional floor space. The tables are available with a number of accessories and options to even further enhance their customer pleasing convenience, i.e. clothes racks, upper shelves, built-in trash containers, etc. Durability personified, as many of our tables have been in service for over 30 years!
